Vassula the Excommunicated Heretic Occult

having studied the evidence, adjudges that Vassula Ryden has fallen away from the

- Introduction

Vassula Ryden is a new occult, heretic and a blasphemous pretending that she is a prophetess , she is simply as the Chief secretary of the Holy Synod of the Ecumenical Patriarchate described her, a Charlatan.

She has many followers who gathered themselves to question me , trying to prove that she is not so .

The church all over the world anathematized her. Even Roman Catholic Pope warned against her twice (1995 as the prefect of the congregation of doctrine and faith , and in his reaffirmation as the pontiff in 2007).

The information about her heresies and dangerous threats can be listed easily , and gathered in a very good and documented analysis on the devoted website : <http://www.infovassula.ch/>

But the true question is : what is the mentality that lies behind all such new charismatic models , and is there a common line between the heretics down centuries till today? Answering this question was the axis of this discussion between me and her followers. How to prove that she is nothing but a heretic mentality which can easily expect what she is going to say.

4 principles I suggested , that can read through them the mentality of the new generation of pluralists .

applied on Vassula :

- 1- Vassulla's Allah!
- 2- Pluralist (or Pantheist) Vassula!
- 3- Vassula's own church:
- 4- Vassula's terrifying concept of love

Let's see together those principles .

1- Vassulla's Allah!

"I'm afraid you cannot stop us from posting comments any more than we can stop you from persecuting Jesus' work."

Julia Calinescu

This is a very clear quote reflects the " Jihadi " sense of Vassulla's theology and the theology of her supporters. Yes, we'll find that in Vassulla's terrifying messages Jesus of Medieval centuries. Terrifying Jesus ... Vassullas' terrible Jesus :

"I shall overthrow all these blocks who despise you My angels ...My lambs, you who rest My Heart, you who are My predilected souls, I shall not see you attacked by these Cains, these Cains who are drenched in sin and who never stopped aiming for your throat, My Abels." December 18th, 1989

think more than twice before you condemn the Works of the Holy Spirit. I shall not spare anyone who mocks the Holy Spirit, blaspheming Him outright... Justice will send them down to the underworld."

September 11th, 1991

I will come back and they will tremble; they will tremble when they will realize Whom they were rejecting all this time... they have apostatised..

October 29th, 1991

Vassula and her beloved follower Julia believe in a medieval juridical wrathful Jesus , who is nothing but a tool of terrifying weak people . if u r against Vassula , then u r against God. Same logic of Islamic Wahhaby movements .

In Egypt, there is a conservative Islamic party called " el Ekhwan el Muslimeen " , they want to rule Egypt using the islamic sharia (Quraan's Law). The ones who stand against them are Muslims too , because they know very well that EL Ekhwan shall use the "Divine authority" to punish people . because everyone objects, then he doesn't object humans , but Allah's law. Then they have the power to " make Allah " punish them.

This is the ideology of Vassulla , Medieval Centuries and now , Julia!

2- Pluralist Vassula!

"In regards to the argument against taking Communion in the Catholic or High Anglican Churches- where it is truly the BODY AND BLOOD of Christ- I would like to ask you, how can receiving communion be a sin in itself??"

Julia Calinescu

Vassula believes in unbelieving, the first rule : no rules. The second rule : Arrogance + ethics can bond us.

This is not Vassula's own logic , but we can say it is a school of thinking appears today in the west and invading our east world through globalization. Pluralism in general is establishing a way of thinking overcomes the "hurting truth" . truth always hurts heretics , because they know very well they can't compromise with it, but they definitely can compromise with people as much as they are far away from that enemy, truth.

What does arrogance do here? Arrogance simply is the safeguard of human ideas. When I'm arrogant , it isn't easy to let people change my ideas. This is why arrogance can protect the counter truth pluralism.

The main issue of pluralism is self contradiction , Vassula for example teaches her people two contradicting issues in the same time : first, having intercommunion even in denominations which don't believe in transubstantiation (like Anglicans)or even real presence(like Methodists) without questioning them or Eucharist faith based. In the same time , when they are stuck with orthodox people , they claim that they witness to orthodoxy! Orthodoxy put many anathema and many rules which are broken by vassula , and today we have known that vasula is officially excommunicated. This contradiction has a relationship to the previous point , the truth enemy protected by arrogance. But how?

If Vassula claims she is Orthodox , then she believes in the Orthodox Eucharistic belief and believes in the Nicene- Constantinoplian creed as it is since 381. while she takes eucharist in the other sects , she breaks hundreds of rules of the Orthodox theology. This contradiction proves that she doesn't care about truth of Divine dogma. She cares for the other policy ... policy of pluralism.

Again, where's arrogance here? Arrogance is the next Vassula's contradiction. Vassula as a pluralist , she believes that we should not question people's faith (contradicting the scripture in : 1 Jn 4 : 1 , Gal 1: 8 , 2 Cor 11:13 ... etc.) , while she attacks – as we see in Julia's words – anyone doesn't believe in her pluralism !

3- Vassula's own church:

Furthermore, do you realize that the church is the Body of Christ? We can tear it apart in millions of pieces but it is still that, HIS HOLY, MYSTICAL BODY!

"When was it that people fallen away from their faith, Jews, Muslims and atheists came back to the church because of a heretic work? That is contradiction in its purest forms."

Julia Calinescu

"vassula is considered a charlatan. Hm, it reminds me greatly, the jews. If you ask them about Jesus, they will say "ah! he was a charlatan who lived 2000 years ago"

Thanasis Ioannides

While st. Paul says :

1:8 But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.

However, she has another view point , she sees that Anathema is to serve and pray not only with sects, but even with nonchristians , Vassula is preparing for a bigger church , or i.e. a bigger temple that can gather Buddha , Brahma and Jesus (who is equal to them) . in the way , she builds a pluralist religion , and the problem is that her followers accept that without examining the scriptures : *1 Cor10:21 Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils.*

4 – Vassula's terrifying concept of love

"I wonder how you plan to justify your endorsement of CHRISTIAN division with this childish pretext when you will be face to face with God at the Last Judgement".

Julia Calinescu

". I am afraid for your soul. It makes me tremble to know that you think it's the evil one who wants unity. "Diavolos" being the root of ALL division!"

Julia Calinescu

"I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing." Sorry, but i fail to see the faintest trace of love"

Julia Calinescu

"how shall you stand the trial of God, in the end?"

Dan Calinescu

"Millions of Orthodox people, theologians, priest etc who declare they "have" the truth will eventually perish because they lacked Love. And millions of those we call "heretics" will enter the kingdom of Heaven because they sacrificed their Ego for God and Neighbor."

Thanasis

We can notice a confusion between the fiery and the terrible conscious , waiting for the final judgment which is mentioned several times in Dan and Julia ' s posts , and then talking about the Pluralist love.

From the first view u may say this is a confusion , warning people and terrifying them by strong words about the final judgment on their " bad " souls which doesn't believe in Allah and his messenger " Vassula " , and the frequent mention of love.

But if u read it deeply , you will discover that there's no confusion.

Thanasis talks for example about Orthodox who claim they have truth , while he attacks his opponents because he simply sees he holds the absolute truth since he sees pluralism can prevail.

While Julia and her husband or relative Dan , talk about the warnings against any one who doesn't believe in their " Love".

We can say there is a contradiction if we have the same definition of the word " love" , but actually we don't.

In the scripture : 1 Jn 4:18 There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.

While they use their pluralist love dogma as a stick against who doesn't believe in it . then, we can touch a different view of love.

In according to the church fathers, is the unconditional giving , in the light of truth . because God is Love (1 Jn 4 : 16), and God is Truth (1 Jn 5 :20)

When we leave one of them , we leave all ... and Vassula with her long list of heresies (beginning from Sabellianism in her Trinitarian confusing view till disrespecting the simplest rules of the church) deprived herself and her followers from the divine definition of Love. And used the famous Political Correctness.

Vassula and her followers found that faith in the power of holy spirit is weak enough .. do I have a single proof? Yes , it is easy , we all seek unity of all Christians , but a unity based on the faith of truth , because St. Paul says : *Eph 4:5 One Lord, one faith, one baptism,*

But mere unity based on variety is actually not any kind of love, because if I love someone , I'll work hard to let him know truth. But accepting him with his heresies will never ever let him leave his errors and reconsider the situation.

Pluralism is not love . it is a kind of organized deceiving. Vassula partakes with all the different sects to tell them unity doesn't require oneness in faith , but oneness in nothing. The new religion .

The theologians whom Thanasis is making a mockery of them are trying to reveal truth with love and a true divine message within church truth , to grant salvation not to jeopardize.
